Academic Regulations 2026-27

Sample Institute of Technology (SIT) | Sample document for the RAG project (fictional policies)

1. Attendance

A student must maintain a minimum of 75% attendance in each course to be eligible to appear for the semester examination.

Students with attendance between 65% and 75% may be considered for condonation on medical or other valid grounds on payment of a condonation fee of Rs. 500 per course, subject to approval of the Head of Department.

Students with attendance below 65% are detained and must repeat the course in the next academic year.

Attendance is calculated on the total number of classes conducted. Attendance for approved events such as sports and technical competitions is counted as present with prior written permission.

2. Credit Requirements

A student of the four-year B.Tech programme must earn a minimum of 160 credits to be eligible for graduation.

A student must register for a minimum of 18 credits and a maximum of 26 credits in a semester.

Of the 160 credits, at least 120 must come from core and departmental courses, 20 from electives, and 10 from the project work. The remaining credits come from humanities, mandatory non-credit courses and internships.

3. Grading and CGPA

Grades are awarded on a 10-point scale: O (10), A+ (9), A (8), B+ (7), B (6), C (5), P (4) and F (fail, 0).

A student must obtain a minimum CGPA of 5.0 at the end of the programme to be awarded the degree.

SGPA is the credit-weighted average of grade points in a semester. CGPA is the credit-weighted average over all completed semesters.

4. Promotion and Backlogs

A student is promoted to the third semester if he or she has cleared at least 50% of the credits registered in the first two semesters.

A student may carry a maximum of 6 backlog courses into the final year.

A backlog course may be cleared by appearing in the supplementary examination or the regular examination of the next semester. The maximum duration to complete the programme is 8 years from the date of admission.
